

Steve,

Tracy just dropped by to sign the general message for the Log Harvesting contract work. Was that submitted? I just checked with Expanded Dispatch and they have not seen it. Thanks,

See attached email for checklist to submit with your requisition. I'll forward you the resource order ASAP, once it arrives.

Current fixed pricing for numerous types of heavy equipment is attached (might help with Gov. Estimate).

Brandon/Kenny,

Can/will one of you be able to be the COR for this. I wanted to chat with you regarding daily operations and possible using a daily IAP. Thanks
